Smithsonian Studio Arts In-Person Class Information and Requirements

Thank you for considering this in-person program.

On class days

1. When you arrive at the start location check in with the Studio Arts rep.
2. Dress appropriately for outdoor weather, including comfortable walking shoes.
3. In the case of inclement weather, a determination to postpone will be made based on safety. Any postponements will be communicated to you via email.

COVID Precautions Required for this Class

1. All participants will be required to wear an appropriate face covering while with the group and adhere to the social distancing guidelines of 6ft. between all unrelated participants.
2. On each day of class, all participants must **complete a self-check health questionnaire (see Pg.2)** prior to arriving at the class location.

You will receive an email approximately 48 hours before the first class asking you to acknowledge that you have read and understand these guidelines and agree to administer the self-check health questionnaire prior to arriving at the class location. Please keep an eye out for this email.

Self-Check Health Questionnaire

We look forward to welcoming you to this upcoming program. Help us protect all participants and staff by conducting this self-check health questionnaire before each class meeting, prior to arriving at the class location.

- Have you had any of the following **new** or **unusual-for-you** symptoms within the past 72 hours?
 - Fever of 100.4 degrees or above, or possible fever-like symptoms such as alternating chills and sweating
 - Frequent cough (not a chronic cough or your normal seasonal allergies)
 - Trouble breathing, shortness of breath, or severe wheezing
 - Muscle or body aches that are not exercise related
 - Sore throat
 - New loss of smell or taste
 - Headache
- Have you or anyone in your household or group tested positive or are awaiting test results for COVID-19?
- Do you or anyone in your household or group have the symptoms of COVID-19 as listed above?
- Are you currently subject to a stay-at-home order from your doctor or state or local requirements to quarantine, isolate, or stay at home?

If you answered “yes” to any of these questions, please stay home to protect our community.
