iPhone Photography II

Instructor: Peggy Feerick

This two day/4-hour workshop serves as a continuum of the iPhone I workshop. Please take a minute before the class to be sure your ProCamera app is up to date. There are also 3 editing apps I will introduce you to. Please download them before class.

Snapseed (free)

App Icon for Snapseed

Touch Retouch \$14.99

App Icon for TouchRetouch

Lightroom (free for without premium features)

App Icon for Lightroom

If you have an iPad, I recommend using it for your editing. It makes many procedures much easier!
