Introduction to iPhone Photography

Instructor: Peggy Feerick

Please download this app before the class:

ProCamera by Cocologics (\$14.99) check website if you have difficulty finding it in the App Store.

<https://www.procamera-app.com/en/>

There are many other third-party apps. Be sure you download **ProCamera**, not **ProCam**.

Below is ProCamera App's Icon for reference.

NOTE:

Students should plan to devote approximately two hours after Saturday's class to complete an assignment for the Sunday class critique.
