Hands-On History of Photography – Surrealism

Instructor: Pat Howard

Materials Needed:

- Materials to cut up for your collage such as magazines, newspapers, postcards, computer print outs, old photographs, etc.
- scissors
- x-acto knife
- scotch tape
- Mod Podge
- one or two pieces of heavier paper such as watercolor paper or poster board –between 8” x 10” and 16”x20” in size - depends how big of a collage you would like to make
- surface suitable for cutting on (self-healing mat, thick cardboard), here’s some examples on Amazon: <https://www.amazon.com/self-healing-mat/s?k=self+healing+mat>
- any pencils, pens, pen & ink, pastels, conte crayons, any type of drawing tools and eraser you may have.
- Optional: brushes and acrylic or watercolor paints, jar or cup to hold water.
