Mini Watercolor Painting Workshop

Instructor: Susan Vitali

Any watercolor set is fine but if you don't have watercolors yet, I recommend getting a red, yellow and blue in tube form. Here are three brand options:

- Winsor Newton (WN) watercolor: Cobalt Blue, Aureolin, Rose Madder Genuine
- Graham Watercolor: Cobalt Blue, Azo Yellow, Quinacridone Rose
- 3. Daniel Smith (DS) Watercolor: Cobalt Blue, Aureolin–Cobalt Yellow, Quinacridone Pink.

In addition, you will also need a black and gouache white.
