

## **Underwater Worlds Supply List**

Crayons, markers or colored pencils

Plain white paper

Glue - if wanting to build the model and not draw it

Random items from around the house (empty paper towel rolls, empty toilet paper rolls, popsicle sticks, recyclables, etc.)

## **Sounds**

Underwater sounds: use a drum to create vibrations and add paint to the top to make an artwork from the vibrations

- Old drum or we can make a drum using an oatmeal container
- Balloon
- Rubber bands
- Cereal boxes
- White paper
- Tape
- Paint (either tempera or acrylic), thinned down with water

## **Abstract Painting**

Based on Melissa McCracken (sees sound waves in color and paints them)

- White paper
- Brushes
- Acrylic or tempera paint
- Water bowl
- Paper towels

## **Recycle**

Campaign to recycle trash and be less wasteful

- White drawing paper
- Pencils
- Erasers
- Colored pencils, markers, crayons (anything to color with)
