## Creating with Pressed Botanicals

**Instructor: Lori VanKirk Schue**

### **Supplies:**

Please collect and press a variety of botanicals. This process must be achieved several weeks in advance of class. Press between pages of a book or papers under a heavy weight.

Other materials needed are:

- Watercolors and colored pencils of your choice
- 140lb Hot Press Watercolor Paper no larger than 11x14
- Scissors
- pencil and sharpener
- glue stick or fast tack glue for tacking botanicals in place.

Optional frame with glass and mat to fit your artwork.
