Nighttime Adventures Terms & Conditions

Media Release

In consideration of being allowed by the Smithsonian Institution (the "Smithsonian") to participate in the Nighttime Adventures at Natural History Museum, I, on behalf of myself and my child, hereby agree that:

The Smithsonian may record my/my child's participation in the program. I/my child may be photographed, videotaped, audiotaped, or otherwise have my, his, her, or their likeness and voice recorded or documented ("Recordings"). I, on behalf of myself and my child, agree that the Smithsonian may use Recordings for any educational, promotional, archival, or other standard museum or non-profit purpose, worldwide, in any media now known or later developed, without compensation and without time limitations.

I, on behalf of myself and my child, also agree that the Smithsonian may, in turn, grant the same right to third parties that the Smithsonian deems appropriate, in conjunction with the Smithsonian's activities related to the program. I acknowledge that the Smithsonian is not required to use my/my child's images or recordings or to make them available to third parties.

For the avoidance of doubt, these releases cover use of my/my child's image, statements, and activities on Smithsonian websites and social media platforms on which the Smithsonian has a presence (e.g., Facebook, Instagram, Twitter, YouTube, Google Classroom). I understand that these materials could be further disseminated by others and/or associated with comments that I disagree with or find objectionable. I acknowledge that the Smithsonian has no control over and shall not be responsible for the activities of social media platforms, their users, or other members of the public.

Program Conditions

The Smithsonian reserves the right to remove from its programs anyone whose conduct, as determined by the Smithsonian, violates the program's rules, disrupts Smithsonian operations, or otherwise fails to abide by the Smithsonian's stated instructions for health, safety, or preservation of property. We encourage you to review with your child any program-specific participation rules provided for this program.

Further, the Smithsonian has adopted new safeguards due to the coronavirus, an infectious disease, which include capacity limits, facial coverings, social distancing, hygiene, and vaccinations. A condition of this program is that all participants comply, at their own cost and expense, with Smithsonian safeguards or instructions in connection with the coronavirus. The Smithsonian reserves the right to modify its precautions as circumstances require.

Meals/Refreshments

Participants will be provided with an individually wrapped evening snack which may include cookies, fruit, animal crackers, juice, and water.

No outside food or beverage will be allowed, except if a participant has severe food allergies or specific dietary needs. You acknowledge that the Smithsonian cannot control what food may be brought or shared by other participants. The Smithsonian is not a nut-free facility and the Smithsonian Sleepovers at Natural History Museum is not a nut-free program.

General Waiver of Liability

I, on behalf of myself and my child, assume full responsibility for any risk of loss, damage, death, or injury sustained or caused by my child. To the extent permitted by law, I agree to release, waive, and hold harmless the Smithsonian and its agents and employees from any and all liability for personal injury, illness, death, damage, or loss arising from my child's participation in the program.

Further, I acknowledge that the Smithsonian has adopted new safeguards due to coronavirus-19, an infectious disease. Despite these measures, the risk of exposure to or contraction of coronavirus could increase by participating in the Nighttime Adventures at Natural History Museum. To the extent permitted by law, I voluntarily assume all risks to myself, my household, and family, related to exposure to or contraction of coronavirus, and hold the Smithsonian harmless from and waive any and all tort claims arising from the Nighttime Adventures at Natural History Museum that are related in whole or in part to coronavirus.
