Have a book to alter/make your own? Think about what you might want to work with:

*Children's board book, Hardback book- old textbook, dictionary, novel? We'll look at sample art and get inspired. No experience required! just plan to experiment, take chances, have fun. **Wear something you don't mind getting paint on.***

Work from still life, photos, or images provided by the instructor with an emphasis on objects of nature, integrating the drawings into mixed media artwork. We will be sketching (No experience necessary. I will give you guidance, and there's more to the class than drawing.)

Working on a project or have thoughts about starting a mixed media artwork? I'm happy to offer suggestions while sharing techniques. If you have questions about any of the supplies, please contact me: marcieplusart@gmail.com
