

Explore the Fascinating World of Göbekli Tepe and Karahan Tepe

Thank you for your interest in my upcoming lecture at the Smithsonian Institute! To provide deeper context before our session, I'm delighted to share some of my earlier presentations and interviews. These resources highlight groundbreaking discoveries and evolving interpretations of Göbekli Tepe culture over the years.

1. My Presentation on Göbekli Tepe from Four Years Ago

- A comprehensive exploration of Göbekli Tepe's historical significance, architectural marvels, and initial interpretations of its purpose and cultural impact.

- **Watch the Playlist Here:** <https://www.youtube.com/playlist?list=PLluUGSI-PGpxTHWSVKutYbwblndyq4sWU>

2. Exclusive Interview with the Excavator of Karahan Tepe

- An insightful conversation with the Turkish professor leading excavations at Karahan Tepe, discussing its discoveries and implications for Göbekli Tepe culture.

- **Language:** Turkish (YouTube translation service available).

- **Watch the Interview Here:** https://youtu.be/DHcgTzQP5I?si=Z_i51bFq7n6587Mk

Why Watch These Resources?

- Understand the context, challenges, and breakthroughs in Göbekli Tepe research.
- See how new discoveries, like Karahan Tepe, are reshaping our knowledge of the Neolithic period.
- Prepare for an enriched experience during the lecture.

I look forward to sharing the latest updates and insights with you during my presentation. See you there!

Kind regards,
