

Smithsonian Exhibits

Address: [3400 Pennsy Dr, Landover, MD 20785](#)

Note: The pull in is not marked as “SI Exhibits,” only “3400” on the street (just past Spectrum Foods). See second page for Google Maps street view of the entrance.

When pulling in, tell the security booth you are there for the Smithsonian Associates event. They will ask for the name under which you are registered (i.e. if a friend registered you under their account, use their name). Continue and park where is noted on the map, and enter the building where is noted. Your Smithsonian Associates tour volunteer will be at the entrance to check you in again and provide further instruction.
