MOSAIC JEWELRY

with Bonnie Fitzgerald

\$85 Supply Kit fee payable to Instructor

For kit purchase, you must connect directly with the Instructor. Mosaic Jewelry kits will be shipped upon receipt of your supply fee payment to the Instructor. You will be sent an invoice along with payment options once you connect with bonnie@maverickmosaics.com The deadline for payment receipt is October 13.

Included in Supply Fee:

- 2 “practice bases”
- 2 base metal “findings”, size ranges 32.5mm square to 42mm x 21mm
- 2oz Apoxie Sculpt
- Generous selection of small-scale mosaic materials: gold smalti, colored smalti, art glass, tiny ceramic tiles, millefiori
- Sticky paper for ‘reverse method’

Students need to provide the following:

- Mosaic Wheel Tool* the plates CANNOT MOVE.
- Tweezers (recommend amazon, search jewelry tweezers, pointed and delicate are best) <https://amzn.to/3lxR1S0>
- Palette knife (for mixing and spreading adhesive), metal better than plastic
- Safety glasses
- Scissors
- Favorite positioning tools (dental tools, things that help you “position” your tiles when your fingers are too big)

LePonnit wheeled nipper or Sea Bell nipper are the BEST choice for this workshop. Remember always purchase the best tools you can afford; they save you money in the long term! You can purchase from [Witsend Mosaics](#).
