Embroidery on Paper and Photographs

with Patricia Howard

SUPPLY LIST

- Photos to stitch on, 8"x10" or larger. Color or black and white, vintage photos can be fun to embroider
- Photos should be printed onto matte (preferable) or lustre surface photo paper, a thicker weight is good. www.nationphotoslab.com is a good place to have photos printed via on-line
- Extra piece of heavyweight paper such as card stock to practice stitches
- Thin awl or ice pick. (can also use a large size sewing needle)
- Embroidery sewing needles such as these
 - https://www.amazon.com/gp/product/B000YQEYVQ/ref=ppx_yo_dt_b_asin_title_o00_s00?ie=UTF8&psc=1
- Embroidery thread in a variety of colors – available at craft or sewing stores
- Pencil
- Eraser
- Tracing paper (can also use vellum or parchment paper)
- Ruler
- Piece of corrugated cardboard a little larger than your photos
- Tape – scotch or masking
- Colored pencils (optional)
