

LOCAL TOUR ALERT: New Departure Location for Weekend Tours

Our departure point is movingbut just down the street!

As you may be aware, there have been some recent changes to the District of Columbia street parking regulations. Unrestricted street parking is no longer available around the National Mall area on Saturdays. We have therefore decided to move our weekend tour departure location from 4th & Independence to the **Holiday Inn Capitol at 550 C Street, S.W.**

We feel confident that this new departure location will offer some great benefits to tour participants. In addition to the 24-hour parking garage, the Holiday Inn Capitol has a grab-and-go breakfast & coffee bar, a taxi stand located in front of the hotel, a gift shop to purchase a morning paper, and lobby restrooms. There is also a Starbucks on the corner, and Metro is only two blocks away.

Bus Location: The tour departs from the Holiday Inn Capitol at 550 C Street, SW, located at 6th & C Streets, S.W. Look for the Eyre bus parked outside the C Street entrance to the hotel, directly across from the Department of Education.

Parking: Parking is available at the hotel (operated by Colonial Parking). The garage, located inside the Holiday Inn building, is accessed from 6 Street. Tour participants can park for a daily rate of \$6. Upon exiting, you will need to show your tour ticket stub to the parking attendant to receive this special rate. Please note that this is a secure building and photo ID and ticket stub/Membership card may be required upon entry. Cars may be subject to search.

Metro: L'Enfant Plaza (Green/Yellow and Orange/Blue lines). Use the exit marked 7th St. and Maryland Ave. Continue straight on Maryland Avenue for one block; right on 6th Street. The Holiday Inn Capitol will be on your left.
