SKETCH / NOTES PAD

You do not need special art heavy paper drawing pads which are for finished graphic work. We will make numerous simple line sketches that do not require drawing skills therefore any unlined paper like printer paper and standard pencil or ball point pen will work. If you prefer an art pad get one of the light paper sketch pads listed below which are sufficient for taking and preserving visual notes.

Dick Blick 13650-1085 Sketch Pad, 100 Sheets 8½" × 11" 60 lb. (98 gsm)

OR

CANSON 10322-1002 Sketch Pad, 100 Sheets 8½" x 5½" Portrait 65 lb. (96 gsm)

Both found at <http://www.dickblick.com>

A standard pencil and hand sharpener. Pen or felt tip also work.
