###

Hello,

I'm looking forward to our Build a Tiny House class. No experience required! just plan to experiment, take chances, have fun.

Wear old clothes (including old pants and old shoes). Wear something you don't mind getting paint on.

Below is a list of miscellaneous items. I will be bringing in a lot of these items for you to use, but you might have some things of your own you'd like to include in YOUR tiny house.

Let me know if you have any questions.

Thank you,

Marcie Wolf-Hubbard

If you have time or the desire, visit thrift stores or antique shops. You never know what you're going to find, and what will find its way into your artwork.

A store you might want to visit for low cost materials and a variety of supplies is UPCYCLE Creative Reuse Center. upCycleCRC.org 703-861-8705.

This is from a list I've given out to students (adults and children)

Here are some suggestions for items to use in collage/mixed media art - do not limit yourself to this list! It is best to have MORE items than you need to make choices of what to include in your collages!

Broken jewelry, or old jewelry
Handmade papers, or interesting papers
Old letters
Found objects & small items from home, or nature
String or ribbon
Packing materials (anything interesting, w/ridges, or possibly use to stencil, such as clementine packaging)
Cardboard coffee protectors (for ex. Starbucks)
Bottle caps, (flattened in the street is fine)
Candy or gum wrappers
Postcards & maps
Twigs, leaves, or dried flowers
Postage stamps (used)
