

Hand Embroidery for Today 4 hours 2020

With Lauren Kingsland

Add the touch of your own hands to beautify clothing for yourself and your loved ones, young and old. Learn basic hand embroidery stitches to create modern designs on contemporary fabrics. We will explore threads and tools to enhance knits, felted wools and ready-made garments, including baby Onesies. Design options will include "Trees of Four Seasons" patterns from the instructor. Bring your own small, sharp-pointed scissors and a garment to embellish.

You will need:

Small sharp scissors

A thimble

Assorted John James or Hemmings embroidery needles with sharp points

A baby Onesie or T-shirt for child or adult OR 14" square of felted wool

*Spools of perle cotton AND/OR *Skeins of embroidery floss

(Bring several colors that make you smile)

A hoop if you have it.

Additional threads and stabilizers may be purchased from the instructor.

A Kit may be ordered at least a week prior to class for - \$43, not including scissors.
